Understanding & Connecting to  
Your Spirit Animal

Wednesdays, March 21 & 28  
6:30pm | \$10.00/class | Judy O'Hora

Two classes in March will offer information on how to connect to/with your Spirit Animals—those animal spirits who interact with us to highlight our chosen paths, bringing us to greater awareness of our spiritual selves.

The first class will help you understand what Spirit Animals are, how you can determine your own totem animal, and how to connect with North American spirit animals.

During the second class we will discuss the most common world-wide spirit animals and include more individual spirit animal messages.
