<p>Spiritualism is not a religion. It does not divide, it unites; it advocates oneness of spirit with the universe and involves knowing the ultimate truth: that in such realization one forgets the self and ego. It merges mind and body with the spirit. ~Gian Kumar</p>					<p>1 Medium At Large 7:00 pm   \$20 Onea Shinn</p>	<p>2 Yoga with Shelly 10-11 am   \$5.00 Attendees MUST sign-up in advance for each session. No matter who we are, no matter what our circumstances, our feelings and emotions are universal. And music has always been a great way to make people aware of that connection. It can help you open up a part of yourself and express feelings you didn't know you were feeling. It's risky to let that happen. But it's a risk you have to take because only then will you find you're not alone.
